It is a wonderful gift for a Rocky Horror fan! Temporary tattoos, sound bites, and lots of information about the show. But the best part is the customer service. I got my order earlier than expected, but with a little damage on one corner. I contacted the vendor, and got a replacement within two days. I highly recommend this vendor! 0 of 0 people found the following review helpful. We were so pleased with this book and all the extra goodies like ... By Katie R.
