Alan Jones : The Rough Guide to Horror Movies before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Horror Movies:

The Rough Guide to Horror Movies is a comprehensive guide to the world's most terrifying films. The guide includes all the icons, from Boris Karloff to Wes Craven and Frankenstein to Freddie Kruger, including classics from Argentina, Pakistan, South Africa and the recent chillers from East Asia. The canon of fifty essential horror movies features The Cabinet of Dr Caligari and Switchblade Romance, via Psycho and The Exorcist. Everything you need to know is covered from festivals, adaptations, magazines and merchandise. The guide tells the stories behind the movies that have scared us throughout the twentieth century.
