By Scott Theleman I ordered a couple of other similar books prior to *The Script Selling Game*. This was, by far, the best written, most comprehensive book on the subject. I will use this book as a reference for years to come.
0 of 0 people found the following review helpful. Awesome!
By Y. Ross I met the author of this novel and she was amazing. This one guides you through selling your novel or screenplay and puts you ahead of the game.
