If you liked the film, you'll like this book...By SuperOdie34When I saw this book in the store a week or so after I saw "The Sisterhood of the Traveling Pants" movie, I knew that it would be one which I would greatly enjoy. It has interviews with the cast and stuff, facts about how they made the film, and loads and loads of photos (many of which have funny captions). It also has a personality quiz (no surprise to me, I was most like Lena). I'm not sure if it needs to tell the story of the film, but it's nice to recap. All in all, I'm very satisfied.10 of 13 people found the following review helpful.
