From Brand: University of Pittsburgh Press : The Social Documentary in Latin America (Pitt Latin American Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Social Documentary in Latin America (Pitt Latin American Series):

Twenty essays by major filmmakers and critics provide the first survey of the evolution of documentary film in Latin America. While acknowledging the political and historical weight of the documentary, the contributors are also concerned with the aesthetic dimensions of the medium and how Latin American practitioners have defined the boundaries of the form.
