Claus Tieber, Anna Katharina Windisch : The Sounds of Silent Films: New Perspectives on History, Theory and Practice (Palgrave Studies in Audio-Visual Culture) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sounds of Silent Films: New Perspectives on History, Theory and

Practice (Palgrave Studies in Audio-Visual Culture):

The Sounds of Silent Films is a unique collection of investigatory and theoretical essays that, for the first time, unite up-to-date research on the complex historical performance practices of silent film accompaniment with in-depth analyses of relevant case studies.
