I love South Park. I know I'm not in their demographic, but this irreverent, non-PC animated series is one of the funniest f\$%*ing shows ever aired on cable television.My son loves the series, has all of the DVDs, and can't wait for new shows every season. I figured he'd get a kick out of browsing through the episode guides, and bought these as a gift for him.OK, who am I kidding. I love the books, too!0 of 0 people found the following review helpful. fun book to look at but they missed some good ...By tylerfun book to look at but they missed some good quotes and things to mention in it but other then that it full stuff about each episode

South Park continues to be one of the best loved and most intensely controversial shows on television. Routinely pushing the envelope, it generates headlines while shocking and satisfying its enormous fan base. The animated series about four 4th gradersCartman, Stan, Kyle, and Kennyhas been a critical triumph and a regular ratings monster since it

premiered. Inside this guide readers will find entertaining, informative, and colorful descriptions of every episode of South Park from Season 6 through 10. Each entry is presented in full-color, featuring detailed plot descriptions, character sketches, pointless observations, pop-culture references, memorable lines, character debuts, body counts, behind-the-scenes info, colorful screen grabs, and more. Even die-hard fans are bound to learn something new while reliving countless hilarious moments.
