From Running Press : The South Park Kit: Dude, Sweet! before purchasing it in order to gauge whether or not it would be worth my time, and all praised The South Park Kit: Dude, Sweet!:

1 of 1 people found the following review helpful. A Perfect stocking stuffer for the True South Park Fan! By Melissa Eastwood-Wright just received from bellwether books not missing any parts even though at first I thought it might have. This is a must for a true South Park fan! Little gems that were perfect as a "stocking stuffer" for my hubby and secretly me as we are both die-hard fans. We even had a South Park-themed cake topper I made myself. We needed this in our life and it was super fun to discover all the gems contained within it. LOVE THIS! Buy it if you can! 0 of 0 people found the following review helpful. Great value for the price. By Meredith Great value for the price. You get a lot of items that are all fun. The mug did have an imperfection on the bottom where a bead of ceramic was protruding, but this doesn't hinder use or anything. The word magnets are smaller than I would have liked them to be; they are probably something like twelve-point font. However, you can make some colorful sentences and that is fun. The Terrance and Phillip posters are creased due to being put in the box folded, and these creases do not go away; but they are nice high-gloss paper material. 3 of 3 people found the following review helpful. If you love South Park.... By squeaken1 You will love this. I have both posters hanging on my wall (Terrance and Phillip poster and Manbearpig poster). There is also a mug, which I love (it has the Goth Kids). The trivia book is nice too. I knew all the answers off the bat (I am an obsessed fan), so it is fun to challenge my friends. The Towelie electronic cleaning cloth. That's nice. And then there are magnets. There are two different scenes, and a bunch of words that you can put together to make phrases. It may seem childish to some, but I will always be a kid at heart...and if you are as immature as me, you will love leaving interesting messages for your friends to find with them.

South Park has built a remarkably large and loyal fan base since its debut in 1997. Now for the first time ever, fans can get their hands on the official South Park Kit and all its cool contents. Kit includes: Goth Kids coffee mug Towelie microfiber computer cloth Terrance and Phillip movie poster Warning: Manbearpig! poster Vote Douche and Vote Turd campaign pins South Park Word Magnet The Ultimate South Park Fan Trivia Quiz book
