Giuseppe Cristiano : The Storyboard Artist: A Guide to Freelancing in Film, TV, and Advertising before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Storyboard Artist: A Guide to Freelancing in Film, TV, and Advertising*:

1 of 1 people found the following review helpful. storyboard your futureBy Leonel L. RossiIts a good and quick read on how to be a storyboard artist- different chapters on different types of storyboard jobs- what are the materials you should use and even how to charge for a job!! This is a must have for anybody that's thinking about using their drawing skills to enter into this field that according to the author, is an untapped career choice. I just didn't care much for the horizontal printing format it makes it difficult to carry around and when your finished, put on your shelf and have on the ready for a quick reference.Any ways, you visual story tellers should invest in your future by picking this one up.0 of 0 people found the following review helpful. More for drawing then story telling.By Fredric A MarshallFocuses on how to draw more than how to tell a story which is what I was most interested in. So if drawing is you thing, then it's pretty good. Story telling, ... okay.0 of 0 people found the following review helpful. A complete guide for storyboardingBy Pritpal Kalsii loved this book very much and would recommend to all if you are in direction or storyboarding or even in cinematography.

A visual and straightforward manual describing the various aspects of the storyboarding profession. Includes tips and advice from a working professional with expertise in film, television, and advertising.

About the Author Giuseppe Cristiano is a former comic artist as well as a writer. He freelances for advertising agencies and film production companies throughout Europe and the U.S., and has directed a number or shorts, music videos, and animated films. Giuseppe Cristiano currently lives in Italy and Sweden. He travels on a regular basis between Europe and the U.S. (where he is planning to relocate in the near future).
