**Nick Korolev : The Swamp Dragon** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Swamp Dragon:

0 of 0 people found the following review helpful. Lots of fun. Would make a good moiveBy John C. AdamsLots of fun. Would make a good moive.0 of 1 people found the following review helpful. The Swamp Dragon...a definite page turnerBy Paul Aldege BourgetThe Swamp Dragon grabs the reader from page one to the very end. I enjoyed the author's fast-paced storytelling style, which draws the reader into the tale. Nick Korolev created an excellent adventure that will enable young and old alike to believe in dragons. The Swamp Dragon should be on everyone's Christmas list.

From the misty mountains and shadowy hollows of West Virginia a new legend arises. Its 1863 in Civil War-torn southern Hardy County. Beloved school teacher George Voorhees becomes the unlikely hero shortly after he joins the local Union Militia known as the Swamp Dragons, at his brother's insistence. When he is mortally wounded in an ambush by Luther Boggs, a vicious leader of a gang of Confederate bushwhackers, Abigail, his friend, local midwife and witch turns him into a real swamp dragon in order to save his life. Overnight his simple life is shattered, and he is thrust into a perilous new world of destiny, magic and power. With only Abigail's advice for guidance and the continued support of Sarah, the girl he loves, George must navigate the dangerous terrain of a suddenly unfamiliar world in a quest to end the reign of terror by a man whose evil knows no bounds.

About the Author Born and growing up in New Jersey, Nick Korolev has been a writer since age fourteen with work including short stories and articles, novels, stage and screenplays with a variety of subjects and genres. Several works have been published or produced, with a few winning awards. The most recent major award is the 2010 Appalachian Film Festival Best Screenplay with a film script version of *The Swamp Dragon*. He presently resides in Fisher, West Virginia in the area that is the setting for the novel, and works as a substitute teacher for two counties and summer naturalist for Lost River State Park.
