Rumer Godden : The Tale of the Tales: The Beatrix Potter Ballet before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tale of the Tales: The Beatrix Potter Ballet:

0 of 0 people found the following review helpful. Charming!By LynnIn 1971, a movie was produced called "Tales of Beatrix Potter", with a whimsical soundtrack, no dialog, the film is vignettes of the stories of Beatrix Potter brought to life by ballet! The companion book details how the film was made as well as the dancers managing in the cumbersome costumes. A must have if you are a fan of the film and the stories of B. Potter!

Large Quarto Hardcover, Ex- Lib Book and Jacket.
