Stan Galloway : The Teenage Tarzan: A Literary Analysis of Edgar Rice Burroughs' Jungle Tales of Tarzan before purchasing it in order to gage whether or not it would be worth my time, and all praised The Teenage Tarzan: A Literary Analysis of Edgar Rice Burroughs' Jungle Tales of Tarzan:

1 of 2 people found the following review helpful. A must for every Tarzan and ERB fan!!!!!!!By korak49Love this

book...a very intertaining and interesting read.....author really has a grasp of the subject and this is a must for any Tarzan and ERB fan....don't miss it!!!!!!

Following the 1912 publication of his wildly successful Tarzan of the Apes, Edgar Rice Burroughs authored four bestselling sequels in quick succession. In 1916, he decided to go back and recount selected adventures from Tarzan's teenage years. The result was Jungle Tales of Tarzan, a dozen short stories bearing such titles as "Tarzan's First Love" and "Tarzan Rescues the Moon" and which chronicle the events preceding the youthful hero's ascension to "King of the Jungle." The adolescent phase of the character is the primary focus of this detailed analysis. The context, themes, motifs, and stylistic techniques of Jungle Tales of Tarzan are all fully explored, as well as the property's literary antecedents and its links to the various comic book and film adaptations of Edgar Rice Burroughs' most celebrated and enduring creation.

About the Author Stan Galloway has written several articles for The Burroughs Bulletin and has given presentations about Tarzan throughout the United States. He teaches literature at Bridgewater College in Virginia.
