Stefan Jaworzyn : The Texas Chain Saw Massacre Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised The Texas Chain Saw Massacre Companion:

0 of 0 people found the following review helpful. Want some Head Cheese?By jason d johnsonIts a great book that gives allot of info on most of the Movies. Its kind of interesting because its basically article interviews from magazines and other media from the people that worked on these great flicks. Most of the book deals with the first 2 movies. If you're a fan of the series and want to know How the movies were made I'd recommend it. Some of its funny but overall very interesting.JD0 of 2 people found the following review helpful. Lots of bloodBy ellalt was ok keeplots of blood you on you toes if you like horror movies we threw a lot of pop corn hide our face1 of 1 people found the following review helpful. Misguiding, sequels 1986-1994 are absolute crapBy Sergio pescadorGreat book, amazing detail, fully documented. The only disappointing part is that, since it was printed on 2003 it omits the 2 latest and it insists that sequels 2 to 4 are worthy, don't be cheated they are pure rubbish in the worst sense of the word, check out

Gunnar Hansen chainsaw confidential memoir, also a recommended title

In 1974, a low-budget, no-star horror movie was unleashed on the world, causing panic among the censors and provoking glee from its intended audience. In this companion to 'The Texas Chain Saw Massacre', Jaworzyn provides the inside story on the film, as well as coverage of the three sequels and various documentaries.

"... as complete a companion as any gorehound could wish for." (5 stars) -- SFX Magazine, 2004, by Ian Berriman: About the Author Stefan Jaworzyn was the Editor of Shock Xpress, the trailblazing horror fanzine, which led to a series of Shock books from Titan, and the fondly remembered 'Shock Around the Clock' 24 hour film festivals. Gunnar Hansen will forever be known for playing Leatherface in The Texas Chain Saw Massacre. He is now a writer, but still makes frequent appearances at horror conventions to meet his many fans.
