**Leigh Grant : The Twelve Days of Christmas: A Celebration and History** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Twelve Days of Christmas: A Celebration and History:

0 of 0 people found the following review helpful. The Rest of the StoryBy NormaThis is a beautiful book with the traditional verses plus an informative background of their beginning. Lovely Christmas gift.4 of 4 people found the following review helpful. The Illustrations Are Worth The Cost Of Admission!By Jill A. HopperWe all know the 12 Days of Christmas, but in this book, it's the illustrations that rule the day. Especially wonderful if you are a lover of the Mastiff or Italian Greyhound Breed. Also includes some interesting history of the Song and Time it was written - but it's the illustrations that will bring you back to this book all year long.

Nostalgic paintings and text transport the reader back to eighteenth-century England, when the immortal Christmas carol became popular, illuminating each verse of the song and explaining the holiday traditions it describes. BOMC Div.

.com While the words of this popular Christmas standard have been familiar for generations, not many know the origins of the song and the meanings of its layered imagery and allusions. What, for instance, do French hens, calling birds, and leaping lords have to do with Christmas? You're about to find out. In charming, fastidiously rendered paintings and delightful, informative text, artist Leigh Grant illustrates each verse and explains the often enigmatic references in the song's lyrics. In 25 full-color paintings and 12 line drawings, Grant, who has illustrated more than 25

books, offers a wonderfully nostalgic vision of old-fashioned holiday festivities while providing a refreshing and totally captivating way to experience this deeply loved song.
