Ray Didinger, Glen Macnow : The Ultimate Book of Sports Movies: Featuring the 100 Greatest Sports Films of All Time before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ultimate Book of Sports Movies: Featuring the 100 Greatest Sports Films of All Time:

0 of 0 people found the following review helpful. best sport movies By Terenzu 4 America As a Christmas gift, it went over very well. The recipient is a high school basketball coach. He said, "if it does not have Hoosiers as one of the movies, I'll never believe the title." Hoosiers is in the first ten of this list of the 100 Greatest Sports Films. When I looked through it I thought, hey I'm going to have to buy this again for me. 0 of 0 people found the following review helpful. Five Stars By suzwonderful book...great writing....tells you all you need to know about sports and

movies..hope they write more3 of 3 people found the following review helpful. top 100 greatest sports moviesBy MBGThis book was a great compendium of the best sports movies. My husband and I agree with many of the choices and this book has also made us aware of several movies which we have not seen, but are now eager to watch based on the recommendations made.

Guys love movies. Especially sports movies, where every underdog has his day, every team achieves glory, and every hero gets his moment of redemption. Next to watching Monday Night Football, there's nothing more enjoyable than plopping down on the couch with the remote and a bottle of beer and firing up the special-edition DVD of Rocky, Hoosiers, Caddyshack, or any other fan favorite. Now, two nationally renowned sports media personalities take on the task of ranking the top 100 sports movies of all time, including entertaining and informative lists, special features, and contributions from over 75 top sports figures. From drama to comedy to tragedy to documentary, all the greatest sports films are here, brought to life through detailed summaries, fun facts and trivia, behind-the-scenes revelations, plus images from the greatest moments in sports film history. Original comments from some of the top personalities in sports and entertainment including Peyton and Eli Manning, Charles Barkley, Tony Romo, James Gandolfini, Bill Parcells, Dennis Quaid, Arnold Palmer, and many more provide further insight and marketing punch.

The Boston Globe, November 1, 2009 this book is great fun. The Oregonian, November 18, 2009 "fun arguments and rental tips, and this book is full of all sorts of interesting facts." Patriot-News, December 14, 2009 "light and fun and can be busted open at any page. The joy of any book like this is that it spurs friendly debate. This one should be on-hand at every bar in America. It's that good as a reference source. But it's also speckled with bits of reporting and strewn with factoids and anecdotes that even devoted fans of these movies might not know. a terrific casual read." Bill Conlin, Philadelphia Daily News, February 2, 2010 The 'Ultimate Book of Sports Movies' will be required reading in school - the famed UCLA School of Film, Theater and Television, that is I am blown away by how good it is, how painstakingly researched, cleverly arranged and augmented by little sidebars and essays. If you love sports and film, this is an irresistible and superbly crafted read, one of the best books written by any authors with local roots not named Bissinger, Dexter, Bowden or Poe. The Florida Times-Union, May 23, 2010 more than just a list. It's a deeply researched book that summarizes each movie and gives fascinating background on how each was produced.
