From Channel 4 Books : The Very Best of "Frasier" before purchasing it in order to gage whether or not it would be worth my time, and all praised The Very Best of "Frasier":

Since "Frasier" began millions of followed the adventures of the pompous psychiatrist and radio-show host, Frasier, his brother Niles, his dad Martin and his live-in carer Daphne (not forgetting that pesky Jack Russell, Eddie). And with

a record-breaking number of Emmy awards, "Frasier's" popularity shows no sign of abating. For "The Very Best of Frasier" the team that creates this show has selected 15 of the best "Frasier" scripts. Reproduced in full-before-editing took place, these scripts contain scenes that never made it to the TV screen.

'...typical of the series: smartly written, cleverly acted and breezily hilarious. Kelsey Grammer and the cast work small comedic miracles week to week.' (New York Times)
