HilariousBy steveThis book, like the

series is hilarious. And it has the added attraction of giving the reader the opportunity to relish the jokes without turning to a companion and saying "what was that" when listening to the heavy British accents.

Dibley is a village in need of a new vicar and Geraldine Granger is that woman - "a babe with heaving bosoms". Meet the parishoners and fall in love with Dibley as the scripts of the television programme are published here in a "prayer-book" format.
