David Herbert Lawrence : The Widowing of Mrs. Holroyd: A Drama in Three Acts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Widowing of Mrs. Holroyd: A Drama in Three Acts:

1 of 1 people found the following review helpful. The Widowing of Mrs. HolroydBy Ann EisingerThe book I received was a reprint from the collection of the Univesity of Michigan Library "Prepared by HP". It is "an unreviewed and unedited digital scan which may show library use shuch as stamps, scribbles or margin notes and in addition may have errors which were in the origin or in the digital scans or printing errors including missing, obscured or upside down pages." My copy included 9 blank pages one with library stamps and one with filing code and pages 18 through 59 were improperly cropped.I think a customer should receive a caviat for a book of this quality if you are going to charge \$10.99 for it. A friend of mine was able to purchase a good quality copy of this title on e-Bay for \$4.99.

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

About the Author David Ellis is the author of *Lawrence's Non-Fiction: Art, Thought and Genre* and *Wordsworth, Freud and the Spots of Time*. He has been commissioned to write Volume III of the New Cambridge biography of Lawrence.
