From Brand: Zagat Survey, LLC : The World's Best Movies (Zagat) before purchasing it in order to gage whether or not it would be worth my time, and all praised The World's Best Movies (Zagat):

What would a company like Zagat, with an already-shaky reputation in the restaurant review world know about good cinema? Not a lot, evidently.Sure, all the essentials are here (they needn't be mentioned) with a handful of under-appreciated movies in the ouvres of Allen and Almodovar, but there are some truly questionable inclusions and omissions in this book.There are a good handful of foreign films in this book, and while I appreciate the mentioning of Almodovar's lesser-known "Bad Education" and Lynch's "The Straight Story" I deplore the exclusion of "Broken Embraces", "Blue Velvet", "Mulholland Dr." and "Eyes Wide Shut".Dont' worry though, Zagat considers "The Hurt Locker", "Over The Hedge" and "Shrek 2" to be some of "The World's Best Movies".0 of 0 people found the following review helpful.
