From Brand: Cambridge University Press : Thomas Hardy on Screen before purchasing it in order to gage whether or not it would be worth my time, and all praised Thomas Hardy on Screen:

0 of 0 people found the following review helpful. Five StarsBy CustomerThe package is flawless, I think that it is a brand new book!! Thank you sooo much!

Often regarded as cinematic in their scope and power, the novels of Thomas Hardy have inspired some of the most absorbing adaptations of fiction for the big screen. This collection of essays by prominent international Hardy scholars

explores both successful and unsuccessful attempts to transfer Hardy's novels to the screen. It provides a fascinating illustrated history of the interpretation and recreation of Hardy's work, from the silent era to television. The essays highlight the challenging nature of Hardy's work, which finds its most powerful reflection in films by controversial directors such as Roman Polanski and Michael Winterbottom.

"...all the essays are strong and should be essential reading for both Hardyans and those who teach Hardy's novels."
Pamela Dalziel, University of British Columbia, Victorian Studies
About the Author
T. R. Wright is Professor of English at the University of Newcastle-upon-Tyne.
