9 of 9 people found the following review helpful. A Wonderful Companion to the SeriesBy NoebieThis book is a wonderful companion to The Thin Man series. Whether you are a die-hard fan who has seen them all multiple times or someone who has only just discovered the magic of these films, the essays and documentation in the book is sure to enhance your enjoyment.3 of 3 people found the following review helpful. Very good book of essays on our favorite detecting duoBy D.TourToo those of us who adore The Thin Man series! The number of essays are nearly all interesting. I enjoyed this book and learned so much about the background, players, characters and movies themselves.0 of 0 people found the following review helpful. An absolute delight. Danny begins the introduction with his teenage observation ...By Megan N McGurkAn absolute delight. Danny begins the introduction with his teenage observation that The Thin Man was 'catnip' to older couples. But everyone should enjoy the Powell and Loy franchise about a smart, sophisticated couple who play detective with wit and style. There's so much to love in this entertaining collection. A must for fans of the series.

Undoubtedly some of the most witty and urbane films of Hollywoods Golden Age, the six movies that composed MGMs Thin Man series showcased a pair of wealthy, inebriated detectives who solve murders in their down time. Through the series run from 1934 to 1947, William Powell and Myrna Loy turned Nick and Nora Charles into a cinematic institution, showcasing a marriage that was sexy, funny, and exciting, whether there was a gun pointed at them at any given moment or not. Thoughts On The Thin Man reflects on these famous films, looking back at Dashiell Hammetts original inspiration, the genesis of the films, and the men and women who made them possible. This collection of essays covers all six movies, including detailed plot breakdowns, quotes, trivia, discussion of motifs, looks at the many spin-offs of the series, a couple of nostalgic odes, and even drinking games, including a custom cocktail devoted to the duo. Would you expect any less?
