Elisha Barnes : Tips before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tips:

Zen Altamont is smart, funny and gorgeous. She's working as a waitress at a snooty country club because she wants to become the "Jackie Collins of the country club set." She's also in love with the portly chef, who can't quite believe his

good fortune. Meanwhile, Tad Leighton, the vindictive son of the Club's president has a thing for Zen and won't take no for an answer.
