Yvette Biro, Marie-Genevive Ripeau : To Dress a Nude: Exercises in Imagination before purchasing it in order to gauge whether or not it would be worth my time, and all praised To Dress a Nude: Exercises in Imagination:

3 of 3 people found the following review helpful. Extremely useful tool for writers By A Customer The authors of this helpful book allow writers to explore the basics of dramatic writing through exercises that develop skills in characterization, content and rhythm. Structure and plot is addressed but the authors are quick to advise against the current trend towards structuralization for the sake of content. This book is a nice change of pace from most writing books (especially books on screenwriting). Buy this one and absorb it--it'll help provide tools necessary for skilled writing.
