Harper Lee : To Kill a Mockingbird (Acting Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Kill a Mockingbird (Acting Edition):

5 of 5 people found the following review helpful. Very good. I hadn't been able to find a play ...By Tfin5Very good. I hadn't been able to find a play version, so this was very useful. There's not a lot of emphasis on the mockingbird metaphor; there's more emphasis on racism, but still good.1 of 1 people found the following review helpful. Excellent adaptation, although I wish Sergel wasn't so in ...By E BERNHARD WARGExcellent adaptation, although I wish Sergel wasn't so in love with the idea of making the play's intermission the same as the trial's recess, as it makes it

unnecessarily difficult to switch from the town set to the courtroom, something which, had he been willing to "kill his darlings," could have been done during the intermission.0 of 0 people found the following review helpful. I don't like this adaptation because it is not narrated by ScoutBy Danielle M. Keill don't like this adaptation because it is not narrated by Scout. That's part of the charm of the novel, a young girl's perspective on these important events. And this stage version doesn't capture it.

Drama / Revised Version / Cast: 11m., 6w. (flexible, extras.) Scout, a young girl in a quiet southern town, is about to experience the dramatic events that will affect the rest of her life. She and her brother, Jem, are being raised by their widowed father, Atticus. The black people of the community have a special feeling about Scout's father and she doesn't know why. Atticus, a lawyer, explains that he's defending a young Negro wrongfully accused of a grave crime. Atticus fights his legal battle with a result that is part defeat, part triumph. Adapted by Christopher Sergel. From the novel by Harper Lee.
