**Ubisoft, Melcher Media, Alex Irvine : Tom Clancy's The Division: New York Collapse** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tom Clancy's The Division: New York Collapse:

New York Collapse is an in-world fictionalized companion to one of the biggest video game releases of 2016: Tom

Clancy's *The Division* from Ubisoft. Within this discarded survivalist field guide, written before the collapse, lies a mystery—a handwritten account of a woman struggling to discover why New York City fell. The keys to unlocking the survivor's full story are hidden within seven removable artifacts, ranging from a full-city map to a used transit card. Retrace her steps through a destroyed urban landscape and decipher her clues to reveal the key secrets at the heart of this highly anticipated game.
