**David Yellin : Tomorrow and Tomorrow and Tomorrow** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tomorrow and Tomorrow and Tomorrow:

2 of 2 people found the following review helpful. TpmorrowBy Ladell PayneThis book is an absolute necessity for those interested in Faulkner, film adaptations, Horton Foote, and Robert Duval. It includes Faulkner's short story from "Knight's Gambit," Foote's original adaptation for television, and his later adaptation for the feature film with Duval. It also gives a discussion of the making of the film and its early critical reception.
