I would give it a five star if the September-December 2016 had its own spread for each month rather than just one spread for the last four months of 2016. Other than that, it's a very nice calendar and I love the different quotes for each month and my coworkers are always commenting on the quote of the month which is a great way for a conversation starter in the workplace.0 of 0 people found the following review helpful. The snappy, sassy comments and put-downs from Its Happy Bunny will make you laugh whether you want to or not. Youll find yourself looking for an opportunity to repeat the Bunnys snarky-but-funny one-liners. Dont worry. Its all in good fun. Sixteen-month Wall Calendars feature 13 spreads to highlight each month in 2017, as well as the last four

months of 2016. Each Wall Calendar is printed in 4-color on FSC-certified paper.
