Chad Carpenter : Tundra 2017 Box Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Tundra 2017 Box Calendar:

From ""the comic strip that Mother Nature warned you about"" comes a daily dose of Tundra cartoons featuring crazy critters, characters and wild wilderness encounters. As testament to its growing popularity, Chad Carpenter's Tundra is syndicated in over 500 newspapers worldwide. In addition to a daily cartoon each pages also includes ample space for jotting notes, appointments and reminders.
