GoodBy John Higgins Such a funny book my kids loved it we hope that there will be many more books like this thank you 0 of 0 people found the following review helpful. I love it. By alisonc Being a Madam and Eve junkie I was delighted to find them at their best. They show how whacky and insane South African politics and situations are. Living abroad, it is hard to describe to non-South Africans what it means - High Fences and taxis South African style. I hope ME have a long and colourful future and I hope to find more on .com.

Several strips of South Africa's most popular comic, Madam Eve, are collected in this satirical compendium. It follows the motley crew of Madam, Eve, Thandi, and Mother Anderson—who are like old friends to most South Africans—as they dash about in their dysfunctional, chaotic, and totally recognizable South African household. Important political and world events are experienced by the characters, providing a current South African perspective with humor.

About the Author Stephen Francis is an award-winning writer, radio, and TV personality. In addition to being the creator of South Africa's most popular cartoon strip, Madam Eve, he has also written more than 28 episodes of the Madam Eve television series. He recently won the bronze award for best international situation comedy at the Rose d'Or Festival in Switzerland. Rico Schacherl works on a wide variety of illustration and cartoon projects with clients from advertising, comics, corporate communication, education, magazines, and television.
