Tyler Perkins : Tyler's Book Of Mandalas before purchasing it in order to gage whether or not it would be worth my time, and all praised Tyler's Book Of Mandalas:

I have a hard time finding coloring books/mandalas that I like almost all or all of the designs because it seems MANY of them don't try very hard or its just not designs I like. This one however I liked EVERY single design. I do alot of papercutting art and I have loved using these in my art pieces!!! I can't wait for this authors second book!!
