Department of the Army : U.S. Army Zombie Training Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Army Zombie Training Manual:

0 of 0 people found the following review helpful. Too funnyBy Steph from MTThis book is super funny. The style of writing and diagrams do model the US Army pretty good. Lots of laughs to flip through. Haven't come close to reading the whole thing. I wonder how they thought everything to fill up this book. It's really quite big, like a manual.

Fun conversation piece on your desk or table.0 of 0 people found the following review helpful. loved it.By Mary DoeringPurchased for a friend, loved it.0 of 0 people found the following review helpful. Five StarsBy David E.Grand Daughter loves it.

When a zombie is taken prisoner by the Army, it need not be uselessly destroyed. In fact, just as our Army trains dogs for combat roles, it has a program to train the captured Undead for combat roles. No zombie that our Army can capture will go unutilized. This is our Armys No Zombie Left Behind policy.The manual in your hands is the Department of Defenses principal source of information on care, conditioning, training, and operations of our Armys Working Zombies such as Blech!, the brave zombie who served in a capacity similar to that of his canine comrade Cairo in the raid that killed Bin Laden. From basics, such as HEEL and STAY to negotiating obstacle courses, to tracking, searching, attacking, and even zombies working undercover in the real world, this manual shows readers how our military trains zombies to be soldier zombies. Illustrations depict the dos and donts of zombie care, training, and operations. Contents include: * Zombie-Veterinary Training Priorities * Principles of Conditioning and Behavior Modification * Patrol Zombie Training * Clear Signals Training Method * Deferred Final Response * Detector Zombie Training Validation * The Military Working Zombie Program (MWZ Program) * Facilities and Equipment * And more . . .

About the AuthorThis book was written by order of the Secretary of the Army and prepared by Cole Louison and David Cole Wheeler, Undead Combat Consultants to the U.S. Army.
