**Leland Gregory : United Kingdumb: Idiots from the British Isles (Stupid History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised United Kingdumb: Idiots from the British Isles (Stupid History):

0 of 0 people found the following review helpful. One of a long seriesBy Dorothy CarterThis is pleasant light reading if you are in the mood for a few laughs. I can't help feeling, however, that Britain must have more strange and eccentric characters and events that could have been included.

A new collection of outrageous, laugh-out-loud anecdotes about the weird and wacky activities of our British neighbors across the pond, by the author of New York Times best-sellers Stupid American History and Americas

Dumbest Criminals. From absurd 911 calls to presidential philosophizing to his New York Times best-selling *Stupid American History*, Leland Gregory generates the best laughs by exposing the worst of human nature. Now, Gregory--sets his sights across the pond to the United Kingdom to skewer Brits, Scots, Irish, and Welsh alike in *United Kingdumb: Idiots from the British Isles*. In *United Kingdumb: Idiots from the British Isles*, Gregory turns his eye to countryside Britons, London aristocrats, kilted Scotsmen, leprechaun-loving Irish, and the wily Welsh, all of whom are a breed apart in their affinity for the idiotic and inane. Because the stories Leland chronicles are just that unbelievable, each anecdote, quote, or factoid is presented with relevant background information--including its verified news source.
