0 of 0 people found the following review helpful. Disappointing.....By EYESMILE Bonus mandalas not as creative as I thought. Simplistic, look hurriedly drawn. More 'filler.' Quotes were indeed beautiful but drawings very disappointing. Random pics not like 'untamed nature.' Like three small bunnies on a full page or one small deer.....Not for me. I'll be sending back. 0 of 0 people found the following review helpful. Beautiful! By Joshua T Johnson Amazing graphics my wife loves it. I can't wait for the next one. The images are very detailed. 1 of 1 people found the following review helpful. ... sitting for an hour and a half with a terrible hand cramp from coloring By Customer After sitting for an hour and a half with a terrible hand cramp from coloring, this book was hard to put down. I have been enjoying my free copy and would recommend this to any adult who needs to find a great way to relax, fun

to color wonderful quotes on every page!

Untamed Nature- Over 40 custom animal images! Stress relieving animal patterns, featuring some unique animals to color and some all time favorites, such as elk, grizzly bear, sharks, Pegasus, and many more. This book is sure to have something for everyone, from simple to very complex. You will love the attention to detail in the designs. Children and grownups alike will love the calming designs inspired by nature. So keep calm and color on. All the pictures are printed on individual pieces of paper to ensure full use of the book and each design has an inspirational quote printed on the back of the page. For best results either cut out the images and then color or insert a leak free backing to make sure your designs don't run on each other. 15 Bonus Mandala designs for your enjoyment!
