J. Arthur Moore, Ryan Graff : Up From Corinth before purchasing it in order to gage whether or not it would be worth my time, and all praised Up From Corinth:

SCREENPLAY VERSION Up From Corinth continues the story as 11 year old Duane's search for his father carries him into the conflict and battle at a place called Shiloh. Falling injured during that battle he is recovered from the battlefield by an army surgeon and his teenage ward who treat his wounds, conceal his identity, and decide to help

him in his search for his father.
