Thomas J. Craughwell : Urban Legends - 666 Absolutely True Stories That Happened to a Friend.of a Friend.of a Friend by Craughwell, Thomas (2002) Hardcover before purchasing it in order to gage whether or not it would be worth my time, and all praised Urban Legends - 666 Absolutely True Stories That Happened to a Friend.of a Friend.of a Friend by Craughwell, Thomas (2002) Hardcover:

0 of 0 people found the following review helpful. Good CompilationBy J. MooreEnjoyable book that is a collection of urban legends. Most of the stories are pretty short which makes this a good book to pick up and put down as time allows, even if you only have 5 minutes you have enough time to get through a story most of the time. It's interesting to see the different urban legends and even see a couple I still thought were real.For the price this is an easy purchase if you have any interest in urban legends.0 of 0 people found the following review helpful. Fun read.By Margaret SantistevanI liked the book; it was fun to review these. However, there were no urban legends that I hadn't already read in Jan Harald Brunvald's various books. Gave only four stars because I'm sure there are others out there that hadn't already been published.0 of 0 people found the following review helpful. Poor writhingBy Iamlegend1973This book even though it is thick it is a waste of money and time, all the stories are maybe only a paragraph long no detail and no background how the urban myth started. What a waste

Whether you believe them or not, you'll find yourself compulsively reading every one of these urban legends just to see what could possibly happen next. For, as outlandish as they are, they often ring true. From corpses coming alive a lasting impression and you'll find yourself telling them over and over again.
