Five StarsBy carlaliveLove this comprehensive guide to all the movies I could ever dream of!0 of 0 people found the following review helpful. quality of ratingsBy Larry BossoneReceived book quickly. Some of the ratings are way off what we believe the movies should receive. That applies to movies they rate

very high that we would watch about 10 minutes and quit, and those they rate poor that we think are great. Guess it's our individual likes.

Each entry includes title, alternate title, one- to four-bone rating, year released, MPAA rating, brief review, length, format, country of origin, cast, technical personnel, awards, and made-for-television/cable/video designations.
