Terri Apple : Voiceovers: Everything You Need to Know About How to Make Money With Your Voice before purchasing it in order to gage whether or not it would be worth my time, and all praised Voiceovers: Everything You Need to Know About How to Make Money With Your Voice:

6 of 6 people found the following review helpful. Very InformativeBy Claudia Morris-BarclaySome of the information was a bit repetitive, and I think it needs an update for the current voiceover market. I was able to sign with

an agency here in Atlanta with a reel that was in MP3 format only, I did not need to burn physical CDs with labels. But all in all a good reference guide and a pretty easy read. I would like for the index to be a little more detailed. 2 of 2 people found the following review helpful. Excellent Book! By Christopher Eicher I have been a voice-over talent for over 30 years and learned some things I didn't know by reading Terri's book. I highly recommend this to anyone thinking about voice-overs as a career. It's very well done. The information is great and the interviews with those that are actually doing voice-overs is very informative. 2 of 2 people found the following review helpful. Very Good book By Donald E. Coltrane This was a very well written book by someone who has made a living in the audio recording/voice over business. It was quite long, but an easy read.

Terri Apples Voiceovers is the most extensive, informative book that covers everything you need to know about making money in the lucrative world of voiceovers! Terri's book is jam-packed with tools, tricks, and great interviews. Terri tells it like it is and gives you the guide to pursuing a career in the voiceover world.

About the Author Terri Apple, actress and writer, is one of the top voiceover actresses in the country, with thousands of voiceovers recorded over her 30-year career. She is the author of the #1 book in its field, Making Money in Voiceovers. Terri is widely regarded as the Queen of Voiceovers and her voice is responsible for changing the way advertisers look at women. She created a trend using women's voices that started with her voiceover campaign HOMEBASE and spanned a period of five years. Terri continues to work in Los Angeles and New York City doing voiceovers, commercials, animations, and promos.
