Richard Koszarski : Von - The Life and Films of Erich Von Stroheim: Revised and Expanded Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Von - The Life and Films of Erich Von Stroheim: Revised and Expanded Edition:

0 of 0 people found the following review helpful. Excellent! If you are looking for realBy DJExcellent! If you are looking for real, fact-based information written is a very readable way on Von Stroheim, get this book. Filled with

endless details on when and how he got his films made, which is what I longed for. Still, to tell the truth, I was hoping for more of those pesty stories about Von that were alluded to. Is that so wrong? 6 of 6 people found the following review helpful. Christmas gift By BRODYI bought this for my brother for Christmas, who is a big Stroheim fan, and he appreciated it very much. His favorite all time film is " GREED " This book delves into his films more than his private life. 1 of 1 people found the following review helpful. Five Stars By harry l rose captivating info

In this revised and expanded edition of Richard Koszarski's *The Man You Loved to Hate*, about a third of the material is completely new or significantly rewritten. It includes information recently unearthed in France and Austria and makes use of documents, scrapbooks, photographs and correspondence belonging to the Stroheim family. Reshaped and enriched, Von becomes once again what *Sight and Sound* called " . . . the best biographical treatment of Stroheim that we are likely to get - intelligent, judicious and a pleasure to read".
