Here's a fun, harmless way to let off some steam By TomHunter1968Hey - just a fun book and voodoo doll for anyone seeking to get some passive-aggressive revenge against the "Office Space" manager in your life. :) This makes a fairly amusing gift for a friend going through a tough time at work, or who has persistent run-ins with the unavoidable micromanagers and butt-kissing office zombies who, unfortunately, control a portion of our day-to-day lives. If you're looking for a bit of a release, this can be a fun, harmless way to let off some steam. 0 of 0 people found the following review helpful. Five Stars By John A.
