Woody Hunt : Waldo's World of Wit and Wisdom Other Stories before purchasing it in order to gage whether or not it would be worth my time, and all praised Waldo's World of Wit and Wisdom Other Stories:

Prepare for a pleasurable trip through time as you read the many stories about the author s alter-ego, and best friend, Waldo. Laugh at his capers and find out how many of your friends have characteristics similar to Waldo s. You may even find you have many of the same characteristics! Relax, sit back and as you travel with Waldo, enjoy Woody s

down-home voice as he brings Waldo alive.

About the AuthorNative Floridian; born in Jacksonville; lived in Lake City Florida where mama was born : in Ocala since 1960. Went back to Lake City in an attempt to go home again, which didn t work because the slides in the park that were so big and scary had been replaced with puny ones and most of the people I knew had disappeared. He tried to go back to school several times, but the honey fingers of other obligations kept pulling him away. Woody began writing again out of sheer desperation, a desperation to remember the better times in my life.
