Except for Don Rosa, there has never been a comic illustrator and story teller even close to Carl Barks. These are wonderfully made books (very affordable) and in the original comic book size pages. Beautiful color. Absolutely 5+ star rating. Affordable gift set of two Carl Barks' books that collect world-famous, all-ages Duck stories. A double dose of Donald Duck! Walt Disney's Donald Duck: "Lost in the Andes" and Walt Disney's Donald Duck: "Trail of the Unicorn" make up this special boxed set of two of our most popular Donald Duck albums exquisitely representing the Duck stories of Carl Barks, one of the most brilliant cartoonists of the 20th century. The title story of Lost in the Andes features the Ducks' memorable quest to South America in search of rare "square eggs" and Trail of the Unicorn's title tale is a trek to the Himalayas to find that fabled mythical creature. Handsomely presented in a stunningly beautiful and colorful box set at a special price that even Uncle Scrooge would approve. Full color
