**Warren Miller : Warren's World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warren's World:

0 of 0 people found the following review helpful. Five StarsBy vivienne k.I loved this book and so pleased to find it. Excellent delivery service.Vivienne0 of 0 people found the following review helpful. Five StarsBy Anne H. MooreGreat story teller. Very fun read0 of 0 people found the following review helpful. The good old days of skiing

rememberedBy Jackie BlanchardI remember Warren Miller both from the Whittier Ski Club annual fund raiser (which featured his movie) and from San Onofre. This book brought back so many memories. I'm happy to hear he is still making us laugh with his rye sense of humor. I can almost hear his voice when reading certain passages.

This collection of Warren Miller's best writing is taken from his three books (Wine, Women, Warren, and Skis; On Film and Print; and Lurching from One Near Disaster to Another), his columns for Ski magazine, and his films. Miller, famous for bringing the sport of skiing to the big screen, writes with wit and keen insight about skiing, filmmaking, and traveling. Black-and-white photos and illustrations are included. "A combination of Jean-Claude Killy, Robert Redford, Ingmar Bergman, and Woody Allen." -- Los Angeles Times
