Here We Go Again - This Is Not a Scrapbook!By bmbutler lists this book as "We Were Here First: Baby Blues Looks at Couplehood with Kids (Baby Blues Scrapbook)". This is not a scrapbook but a compilation of previous books and strips. This isn't the first time one of these books was not as advertised.I love Baby Blues and have all of the Scrapbooks and was excited to see this one coming out. It arrived today and it is not what is advertised. Irritating!17 of 17 people found the following review helpful. Not happy with thisBy Niles LarsonFirst, this is not a new collection but a bunch of older comics. The book itself is inferior and the cover wants to roll up on itself. Hopefully when the next 'Scrapbook' is released it will be of better quality.0 of 0 people found the following review helpful. Five StarsBy Kindle Customerlove
