DVD, now available for Pre-Order on .com, will be containing as many as -10- previously deleted scenes not shown in its Theatrical Release ...I have found a splendid way to experience how the DVD Release might be turning out for us this August. ...Simply by reading ..RANDALL WALLACE's outstanding .."WE WERE SOLDIERS - The Screenplay".. Book we see even more detail about the Battle of IA DRANG-1965 Young Hero Soldiers as they prepare to go to a land far away to fight for their very lives and for each other's ..long, long ago. ...Based on what I am

now reading in my copy of ..RANDALL WALLACE's outstanding Screenplay ..while hearing ..NICK GLENNIE-SMITH's.. new luciously beautiful .."WE WERE SOLDIERS".. Soundtrack Music CD playing in the background ...I find myself being surrounded by such unforgettable ..FEELINGS..!!! This DVD is going to be Extraordinary. ...Enjoy it all NOW. ...Signed:..ALOHA RONNIE Guyer / Vet-Battle of IA DRANG-1965 / IA DRANG S-1 Personnel Clerk / Landing Zone Falcon ...NEVER FORGET5 of 5 people found the following review helpful. A Must For We Were Soldiers Fans and ScreenwritersBy John ThompsonThis book is incredible. I collect screenplay books, and this is by far the best one I've ever seen. The script itself is great, and all of the bonus sections are awesome. Reading the correspondence between Randall Wallace and the real people that the movie is based on gave me a deeper appreciation for the film. And the storyboards are really cool, too. If you love movies, then you'll love this book.6 of 6 people found the following review helpful. The film was great. The book is too.By A CustomerBuy this book for the script, and love it for all the extras. I've never bought a screenplay book before because they are usually so dry, but this has great stuff. The deleted scenes are great, and the storyboards are really cool too. Also loved the interview with Randall Wallace.

From Randall Wallace, the Academy Award nominated screenwriter of "Braveheart", comes this unique companion book to the recent Paramount Pictures blockbuster film "We Were Soldiers" starring Mel Gibson, Madeleine Stowe, Sam Elliott, Greg Kinnear, Chris Klein, Keri Russell, and Barry Pepper. This book offers a facsimile of the film's shooting script, its cuts and changes, scene notes, never-before-seen photos, storyboards, correspondence, and an exclusive interview with director/screenwriter Randall Wallace.

From the PublisherOn November 14, 1965 in the Ia Drang Valley of Vietnam, 400 men from the U.S. 7th "Air" Cavalry under the command of Lt. Col. Hal Moore were dropped into a small clearing known as Landing Zone X-Ray. They were immediately surrounded by 2,000 enemy soldiers. The ensuing battle was one of the most savage in U.S. history. Twenty-eight years later, Randall Wallace came across Hal Moore and Joe Galloway's battlefield memoir, the New York Times Bestseller, We Were Soldiers Once and Young. He was struck by a line in the prologue, "Hollywood got it (the story of American soldiers in Vietnam) wrong every damned time..." Wallace read the book and vowed to adapt Moore and Galloway's story into a film, and "get it right". This unique book offers a facsimile of the film's shooting script, its cuts and changes, scene notes, photos, storyboards, correspondence, and an exclusive interview with director/screenwriter Randall Wallace.About the AuthorRandall Wallace is the author of six novels and four feature films; We Were Soldiers, Pearl Harbor, The Man in the Iron Mask, and the 1995 Academy Award winner Braveheart. He graduated from Duke University with a major in Religion. He lived his childhood years in Tennessee and Virginia, and now resides in Los Angeles.
