Vinnie Favale, Art Bell, Dave Kolin : Web Sightings: Collection Web Sights We'D Like To See: Comedy Central Presents before purchasing it in order to gauge whether or not it would be worth my time, and all praised Web Sightings: Collection Web Sights We'D Like To See: Comedy Central Presents:

0 of 1 people found the following review helpful. Read It 7 times and still don't get it!!!!!!!!!!!!By A CustomerWhere is it written that just because it's comedy, you don't have to follow any of the guidelines of a well-written book!!!!!!If comedians had spent more time in school, paying more attention to their schoolwork instead of being the class clown we would have more well-written dictionaries and technical manuals, instead of ridiculous parodies of this type!!!!!!!!!!!!!! THEN OF COURSE THE WORLD WOULD STILL BE FLAT!!!0 of 0 people found the following review helpful. Great book for everyoneBy A CustomerThis book was one of the best books that I have read in along time. I laughed till I fell on the ground and rolled on the floor. I read it to my children and they loved it too.0 of 0 people found the following review helpful. Pretty damn cool!!!!!!By A CustomerThat book is so funny, but in an artistic way. haha. I think everyone who is someone should own a copy!!!!!!!!!!!!

The Web Will Never Be the Same. Just when you thought you were doomed to ten lifetimes worth of dull, meaningless cyberjunk on the World Wide Web, the folks at Comedy Central download a tasty dose of Internet satire a la modem. Spun from the absurdity of today's headlines -- and inspired by the belief that everyone deserves the dubious honor of being caught in the Web -- they propose some postings that may not be entirely welcome.... Comedy Central Presents: A COLLECTION OF WEB SITES WE'D LIKE TO SEE CHECK OUT A FEW: Joan Collins's

Badly Written Web Site Martha Stewart's Good Web Site The Underworld Wide Web This Old Web Site Oliver Stone's Paranoia Web Site Mike Tyson's Pay-Per-View Web Site

.com The folks from America's cable TV comedy Network, Comedy Central, now point their funny bones at the Internet with a book of "web sites we'd like to see". Sample Web sightings include "Joan Collins' Badly Written Web Site", the "I Like New York -- as a Friend Web Site", "Martha Stewart's Good Web Site", and the "Hack Your Way into Harvard Web Site" that allows you to change you SAT scores. A very silly book.
