An irreverent look at cannabis and the people who love it! Weed 2017 Daily Calendar reveals all there is to know about the psychoactive substance that more than four in ten Americans have tried--and that 11 percent consume regularly. From how to grow it and places to hide it to myths debunked and pot in popular culture, this smokin' calendar is guaranteed to keep you giggling--long after the buzz wears off. This calendar contains adult language and may be considered offensive to some readers.
