Quentin Parker : Welcome to Horneytown, North Carolina, Population: 15: An insider's guide to 201 of the world's weirdest and wildest places before purchasing it in order to gage whether or not it would be worth my time, and all praised Welcome to Horneytown, North Carolina, Population: 15: An insider's guide to 201 of the world's weirdest and wildest places:

6 of 11 people found the following review helpful. An Excuse to Write ObscenitiesBy Gary MesserliWhile there is some interesting information in here about how certain places were named, I get the feeling the author's main purpose in writing this was to titillate himself by writing obscene words. (And I can't tell you what those words are because the

filter won't even accept representations of some of the words--be advised that a lot of them are sexually-related). Or perhaps he thinks it is funny make fun of Southerners, and Northerners and people from the Midwest. He's wrong. It isn't funny. It is just ignorant. But maybe he knew that because he wrote under a pseudonym. I do not recommend this book. At all.

Titz. Twatt. Turda. And those are just the Ts. The world is full of wonderful, weird, and wild places. From Point Stupid and Mount Dick to Lake Cock and the River Suck, there are hundreds of towns, cities, mountains, deserts, and bodies of water around the globe that defy description and explanation--until now. In this book, the secret histories, mysteries, and peccadilloes of the world's most laudably laughable places are revealed for the very first time (that we know of) for your reading pleasure. With sidebars that explain the etymology and origin of the place names, along with each place's most famous residents, titillating scandals, and claims to fame, you'll find this one-of-a-kind tell-all guide as funny as it is fascinating. Welcome to Horneytown, North Carolina, Population: 15--because no matter where you may find yourself right now, it's good to know that there's always somewhere worse!

About the Author: Quentin Parker was born not far from Toad Suck, Arkansas. He currently lives within spitting distance of Horneytown, North Carolina. This intrepid armchair traveler has written several books for Adams Media.
