Jim Kane : Western Movie Quotations before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Movie Quotations:

4 of 4 people found the following review helpful. FUN to read!By A CustomerThis compilation of pithy quotations from westerns of my youth is an absolute pleasure to read! Think of the "short sweet" of all the hilarious, sarcastic, wisecracking, thoughtful, insightful and incisive remarks made by characters in the westerns that we grew up on - without the "filler." This book is like Lay's Potato Chips: "Bet you can't read just one!"

This is a compilation of over 6000 famous lines and memorable quotes from over 980 western films, from the 1920s to 1998. Indexes for actors and actresses, film names and subjects provide access for cowboy fans and western film
