Makes a Wonderful Gift for any Dog LoverBy Cindi HerlemanI pre-ordered three copies of Wet Dog planning to give them as gifts. Of course after browsing thru the pages I'm keeping a copy for myself. The photographs are inspired and delightful - funny and touching. The photography is amazing! I love that Sophie is so dedicated to animal rescue - especially older animals. As "Mom" to three rescues - Kizzie, a terrier mix was adopted at 6 years old; Koko, a Maltese/Yorkie mix was adopted at 6 years old and my beautiful Turkish Van cat, Kia was adopted at 12 years old - all from shelters - I have a passion for rescues, particularly older animals. So I felt an immediate connection with Sophie. Her concept of photographing dogs being shampooed is unique and charming. I highly recommend Wet Dog - treat yourself to a copy and get a few for gifts.7 of 7 people found the following review helpful. I love this book!By CustomerI love this book.

I actually love it so much, I bought 3 more and am gifting them to my other doggie loving friends. The photos are stunning and the design of the book itself is equally gorgeous. I highly recommend it and so does my best friend Dan :) 5 of 5 people found the following review helpful. she dedicates a lot of time photographing shelter animals to help them get adopted- with great results! Sophie Gamand is known for her exceptional ability to not only capture an animal's personality, but also magically how we feel about them! We are so honored to be able to support such an amazing and kind artist - and she is in a league of her own! I know I'm getting a few more copies for Christmas gifts this year!!
