**Yaakov Kirschen : What a Country!: Dry Bones Looks at Israel** before purchasing it in order to gage whether or not it would be worth my time, and all praised What a Country!: Dry Bones Looks at Israel:

3 of 4 people found the following review helpful. The finest political cartoonistBy Shalom Freedman'Dry Bones' is my all- time favorite political cartoonist. His drawing is wonderful especially of 'faces'. His political insight is outstanding. His sense of irony and of the absurdity of so much political posturing is in continual operation. He not only provides sudden illuminating insight, but cause for real out- loud laughter.For years he has chronicled Israel's struggle with itself and with the world.He is truly number one in this area.3 of 6 people found the following review helpful. Kirschen is a prophet.By A CustomerIf ya don't laugh, ya cry. Yakov Kirschen cuts tothe nub of the mishugas. Humor reveals Truth.

More than 300 cartoons from the famous Dry Bones comic strip which appeared in The Jerusalem Post.
